

Name

Pogost

Seven days old in the ICU tonight
Little baby boy, they don't wanna have to say goodbye
Your mother's on the phone, your father's in the hall
 Praying God save his life
 He sees you, He's near you
 He knows your face, He knows your pain
 He sees you and He loves you
 He knows your name, He knows your name
Four doors down there's a man who just won't wake up
He crashed so hard and the doctors wanna pull the plug
 Your wife is by your side, saying not tonight
 Praying God'll just show up
 He sees you, He's near you

 He knows your face, He knows your pain
 He sees you and He loves you
 He knows your name, He knows your name
Maybe you're alone in the corner of an empty house
Or maybe you're the one no one notices in the crowd
 He sees you, He's near you
 He knows your face, He knows your pain
 He sees you and He loves you
 He knows your name, He knows your name
 He knows your name
 He knows your name
