Rayven Justice

I been drinkin' so much, I forgot your name
Yeah, yeah
I ain't lookin' for love, I just like your frame
Yeah, yeah, yeah yeah Know I just met ya, and it might sound rude
But baby bring your friend, 'cause I'd rather have her
I been drinkin'

Yeah, yeah
I ain't lookin' for love, I just like your frame
Yeah, yeah (yeah yeah)
I forgot your name, oh ooh
I forgot your name, oh ooh Ain't lookin' for no wife, this only for one night
You can be my side chick, if you keep actin' right
Girl don't act brand new, like they sayin' what you do

Yeah, yeah (yeah, yeah)
I forgot your name, oh ooh
I forgot your name, oh ooh

Now heavy lickin' like "Come here Tish, oops I mean"
Yes nigga I forgot her name 'cause I been drinkin'
Yeah that watermelon really got me thinkin'
In the club with a gang of Beyonce's
Off this ring I might make you my fiancée I been drinkin' so much, I forgot your name (I forgot your name)
Yeah, yeah
I ain't lookin' for love, I just like your frame
Yeah, yeah (yeah, yeah)
I forgot your name, oh ooh
