

All I Want for Christmas Is You

Newsboys

I don't want a lot for Christmas
There is just one thing I need
I don't care about the presents
Underneath the Christmas tree I don't need to hang my stocking
There upon that fireplace
Santa Claus won't make me happy
With a toy on Christmas day I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is you I won't ask for much this Christmas
I don't even wish for snow
I'm just gonna keep on waiting
Underneath the mistletoe I won't make a list and send it
To the North Pole for Saint Nick
I won't even stay awake to
Hear those magic reindeer's click 'Cause I just want you here tonight
Holding on to me so tight
What more can I do?
All I want for Christmas is you All the lights are shining
So brightly everywhere
And the sound of children's
Laughter fills the air And everyone is singing
I hear those sleigh bells ringing
Santa won't you bring me the one I really need?
Won't you please bring my baby to me? I don't want a lot for Christmas
This is all I'm asking for
I just want to see my baby
Standing right outside my door I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is you
Baby, it's you
