

# Secret Love

**Ian Van Dahl**

The night has no secrets  
When we are together  
Look into my eyes  
You'll always be mineHow can I tell you?  
What I feel inside  
You are my world  
I can't say goodbyeLying beside you  
Time seems to fly  
My heart's beating stronger  
When you're by my sideHow can I tell you?  
What I feel inside  
You are my world  
I can't say goodbye
