

# Dinner At The Money Table

## The Early November

I've got a day and a reason  
Why I should not believe in  
    Anything, anymore  
    What's this for?  
    My time well spent  
I've got all these memories that I cannot believe in  
    'Cause I don't know where I've been  
            All these years  
All these yearsAnd do you know this reason?  
    I hope that you can see it  
    'Cause I will not give up and  
    We all know what you've done again  
        I can see right through you  
        You're makin' your way over again  
        AgainTwo days after leavin'  
        And I don't have a reason  
        To keep you from being here  
        I don't steer  
        These thoughts away  
I know that you know this but I could never get you  
    To believe all my fears  
        Is this your clear?  
I think soAnd do you know this reason?  
    I hope that you can see it  
    'Cause I will not give up and  
    We all know what you've done again  
        I can see right through you  
        You're makin' your way over again  
Again, again, againAnd do you know this reason?  
    I hope that you can see it  
    'Cause I will not give up and  
    We all know what you've done again  
        I can see right through you  
        You're makin' your way over again  
Again, againAnd do you know this reason?  
    I hope that you can see it  
    'Cause I will not give up and  
    We all know what you've done again  
        I can see right through you

You're makin' your way over again
