Every Man Should Know (queenie)

Blackfoot

Oh yes
Well, don?t mess with my Queenie,
Or I?ll mess with your nose
Yes, you can stand there dreamin?
But don?t you dare step on my toes
Cause, every man should know
Can?t take what you owe.
To own a body you got to own a soul
So every man should knowww oh ohh
Yes
Yes, you might take my money
But I won?t take second place
Ooh, you mess with my honey
I?ll mess with your face

Cause, every man should know
Can?t take what you owe-oo-woa-oh.
To own a body you got to own a soul
So every man should knowww oh ohhh
Ah yes
Woah, Ha, Ha, Ha, Ha
Yes, don?t mess with my Queenie
Or I?ll mess with your nose
Ooh you can stand there dreamin?
But don?t you dare step on my toes
Cause, every man should know
You can?t take what you owe-oo-woa-oh.
To own a body you got to own a soul
So every man should knowww oh ohhh
Every man should knowww oh oh
