

# One (Your Name) (Freeze Remix)

## Swedish House Mafia

Oh I wanna know your name  
You just kill me, could you at least do that?  
I wanna know your name  
Or better yet, stand there  
Just do that I wanna know your name  
Your name  
You just kill me, could you at least do that?  
I wanna know your name  
Your name  
Or better yet, stand there  
Just do that Hey yeah I wanna know your name  
Know your name I wanna know your name  
Know your name Uh!  
Oh yeah I wanna know your name  
You just kill me, could you at least do that?  
I wanna know your name  
Know your name  
Or better yet, stand there  
Just do that Hey yeah!  
Oh yeah! I wanna know your name  
Know your name  
I wanna know your name  
Know your name Uh
