

# Like Zsa Zsa Zsa Gabor

## Erasure

She wanted to be the hostess of the Big Game Show  
Like Loni Anderson  
She wanted to be seen on Spectravision  
She told her friends that one day She would be the movie queen  
Like Krystle Carrington  
Pay her weekly visit  
To the top beauticians Soul corruption, self destruction  
(Are you prepared to fight?)  
You can make a lotta money  
Take a little bit, take a little bit, run New sensation, Cecil B.  
DeMille creation  
You can make a lotta money  
Take a little bit, take a little bit, run She wanted to marry a big movie star  
Like Omar Sharif, her walk-on part  
In the b-movie was a big success  
She did a voice over selling Hershey bars  
Just like Betty White  
But for now she is a temporary waitress Soul corruption, self destruction  
(Are you prepared to fight?)  
You can make a lotta money  
Take a little bit, take a little bit, run New sensation, Cecil B.  
DeMille creation  
You can make a lotta money  
Take a little bit, take a little bit, run All the way to Hollywood  
All the way to Hollywood  
All the way to Hollywood  
All the way to Hollywood She told her friends that  
One day she would be the movie queen  
Like Zsa Zsa Zsa Gabor  
But for now she is a waitress in a cocktail bar Soul corruption, self destruction  
(Are you prepared to fight?)  
You can make a lotta money  
Take a little bit, take a little bit, run New sensation, Cecil B.  
DeMille creation  
You can make a lotta money  
Take a little bit, take a little bit, run Soul corrupt, self destruct  
Soul corrupt, self destruct All the way to Hollywood  
All the way to Hollywood  
All the way to Hollywood

All the way to Hollywood Are you prepared to fight? She wanted to marry a big movie star  
Like Omar Sharif Soul corrupt, self destruct  
Are you prepared to fight?  
You can make a lotta money  
Take a little bit, take a little bit, run Soul corrupt, self destruct  
You can make a lotta money  
Take a little bit, take a little bit, run
