

# Silver Machine (Live At the Roundhouse London)

## Hawkwind

I  
I just took a ride  
In a silver machine  
And still feeling mean Do you want to ride  
See yourself going by  
The other side of the sky  
I got a silver machine It flies  
Sideways through time  
It's an electric line  
To your zodiac sign I got a silver machine  
(Silver machine)  
I got a silver machine  
(Silver machine)  
I got a silver machine  
(Silver machine)  
In my silver machine It flies  
Out of a dream  
It's antispectically clean  
You gotta know where I've been Do you want to ride  
See yourself going by  
The other side of the sky  
I'm in a silver machine I  
Said I just took a ride  
In a silver machine  
I got it still feeling mean It flies  
Sideways through time  
It's an electric line  
To your zodiac sign I'm your silver machine  
(Silver machine)  
I got a silver machine  
(Silver machine)  
I got a silver machine  
(Silver machine)  
I got a silver machine  
(Silver machine)  
I got a silver machine  
(Silver machine)  
I got a silver machine  
(Silver machine)

I got a silver machine

(Silver machine)

I got a silver machine

(Silver machine)

I got a silver machine

(Silver machine)

I got a silver machine

(Silver machine)
