Living Sacrifice

It begins, exhume, resurrect
Crucify again
His flesh not yours
His strength not yoursHis death was your rebirth
Why embrace a lie
Why refuse the spirit
Withdraw from vital unionEnslaved, enslaved
Do not open wide
The door that leads to destruction
Don't resurrectWhat has been killed
Truth laid out, cast down pride
I grasp for life, I embrace God
Crucify again, my flesh not deadHis strength not mine
His death is rebirth
Rebirth, rebirth
Do not open wideThe door that leads to destruction
Don't resurrect
What has been killed
