

Nobody's Business

Billy Idol

What a fool to step into those shoes
Either way you know they win or lose
You know money talks
Your eyes they ain't so blue
You love to watch the green-backs walk
You got a five-buck, side-pack Tell me, tell me someone stop this pain
It's your place I was in a rage insane
I wanted your love so bad
But your eyes are never blue
Droolin' over green-back poolin'
You got a five-buck, side-pack Well I must have been right about somethin'
Yes to make it to here and to tell you somethin'
'Cause nobody's business but my own
Nobody's business but my own
Well I must have been mad about somethin'
'Cause I'm M A D and I spell it for nothin'
'Cause nobody's business but my own
Nobody's business but my own What a fool to step into those shoes
Either way you know you win or lose
You know money talks
Your eyes so paralyzed
Don't you realize
For love and hate it's just too late
