

# If Only For One Night

Ruben Studdard

Let me hold you tight, if only for one night  
Let me keep you near to ease away your fears  
It would be so nice if only for one night I won't tell a soul, no one has to know  
If you want to be totally discreet  
I'll be at your side if only for one night  
Yeah, yeah, if only for one night Your eyes say things I never hear from you  
And my knees are shaking too  
But I'm willing, willing to go through  
I must be crazy standing in this place  
And I'm feeling no disgrace for asking Let me hold you tight if only for one night  
One night, girl, let me keep you near  
Near to ease away your fears  
It would be so nice if only for one night, night  
Yeah, yeah, if only for one night I tell you what I need  
One night, one night  
Whooo, that's all I need is one night  
One night, one night  
Oooh, oh, baby one night, one night  
One night of your love of your love  
Of your loving I'm asking, let me hold you tight if only for one night  
Let me keep you near to ease away your fears  
It would be so nice if only for one night
