## **Rocket**

## The Wanted

You think you see me
You haven't seen nothing
I'm looking for something more than this
I'm feeling no limits
I'm seizing each minute
Don't wanna, Don't wanna
Just exist

Don't want my feet on the ground

Wanna feel the speed of sound

I want it nowI want to fly

Like a rocket to the sky

Going up a million miles

And I'm not coming down

Won't stop till I feel the sky at my feet

My dreams are my wings

I'm flying

Flying highI'm climbing

I'm rising

I'm striking like lightning

Write my name in sky writing

For all to see

I'll do something epic

And they won't forget it

Good enough's not good enough for meI want the ride of my life

Want to reach the speed of light

Want it tonightI want to fly

Like a rocket to the sky

Going up one million miles

And I'm not coming down

Won't stop till I feel the sky at my feet

My dreams are my wings

I'm flying

Flying highNever gonna make my way down

I'll make the galaxy my playground

It's gonna be one hell of a ride

I'll flyLike a rocket to the sky

Going up one million miles

And I'm not coming down

Won't stop till I feel the sky at my feet

My dreams are always I'm flying Flying high
