

Shine

Anna Nalick

Oh the night, makes you a star
And it holds you, cold in it's arms
You're the one to whom nobody verses "I love you",
Unless you say it first So you lie there, holding your breath
And it's strange, how soon you forget
That you're like stars,
They only show up when its dark,
Cause they don't know their worth And I think you need to stop following misery's lead
Shine away, shine away, shine away Isn't it time you got over
How fragile you are?
We're all waiting
Waiting on your supernova
Cause that's who you are
And you've only,
Begun to shine There are times when,
The poets and porn stars align
And, you won't know who to believe in,
Well that's a good time to be leaving And the past knocks on your door
And there's stones at your window
At four in the morning
Well maybe, he thinks its romantic
He's crazy
But you knew that before And I think you need to stop following misery's lead
Shine away, shine away, shine away Isn't it time you got over
How fragile you are?
We're all waiting
Waiting on your supernova
Cause that's who you are
And you've only,
Begun to shine Yeah, you've only begun to shine Won't you shine, shine, shine, shine over shadow (oh, oh)
Shine, shine, shine, shine over shadow (oh, oh)
Shine, shine, shine, shine over And I think you need to stop following misery's lead
Shine away, shine away, shine away Isn't it time you got over
How fragile you are?
We're all waiting
Waiting on your supernova
Cause that's who you are
And you've only,
Begun to shine Yeah, you've only begun to shine Yeah, you've only begun to shine
