

Touch, Peel and Stand

Days of the New

Since I know how low to go, I won't let it show
Won't you touch me, touch me? I won't let it go
And now I stand and I peel for more
Won't you touch me, touch me? I won't let it go Yes, I've finally found a reason
I don't need an excuse
I've got this time on my hands
You are the one to abuse Yes, I've finally found a reason
I don't need an excuse
I've got this time on my hands
You are the one to abuse, one to abuse You're always talking back to me, you won't let it be
Won't you touch me, touch me? It never bothered you before
Now I stand and I peel for more
Won't you touch me, touch me? I won't let it go Yes, I've finally found a reason
I don't need an excuse
I've got this time on my hands
You are the one to abuse Yes, I've finally found a reason
I don't need an excuse
I've got this time on my hands
You are the one to abuse, one to abuse Ooh
Yeah, yeah
Ooh
Yeah, yeah Yes, I've finally found a reason
I don't need an excuse
I've got this time on my hands
You are the one to abuse Yes, I've finally found a reason
I don't need an excuse
I've got this time on my hands
You are the one to abuse Yes, I've finally found a reason
I don't need an excuse
I've got this time on my hands I've got this time on my hands
I've got this time on my hands
I've got this
You are the one to abuse I've got this time on my hands
I've got this time on my hands
I've got this
You are the one to abuse
One to abuse, one to abuse Ooh
Yeah, yeah
Ooh

Yeah, yeah
