

# Big Takeover

## John Frusciante

No one dared to shuffle that shower  
When nobody cares to be clean  
Was not even touched by the waterJust another Nazi scheme, yeah  
The big takeover, yeah  
Mile high the big takeover, yeahI'll do habit-so-called-ition  
Prepare yourself for the final test  
The world is doomed with its own integrationJust another Nazi test, yeah  
The big takeover, yeah  
Mile high the big takeover, yeahSo believe me when I say  
There's no hope for the U.S.A.  
The world is doomed with its own integrationJust another Nazi test, yeah  
The big takeover, yeah  
Mile high the big takeover, yeah
