

I Don't Want To Be In Love

Good Charlotte

She's going out to forget they were together
All that time he was taking her for granted
She wants to see if there's more
Than he gave she's looking for He calls her up
He's trippin' on the phone now
He doesn't want her out there
And alone now He knows she's movin' it
Knows she's using it
Now he's losing it, she don't care Everybody put up your hands
Say I don't wanna be in love
I don't wanna be in love Feel the beat now
If you've got nothing left
Say I don't wanna be in love
I don't wanna be in love Back it up now
You've got a reason to live
Say I don't wanna be in love
I don't wanna be in love Feelin' good now
Don't be afraid to get down
Say I don't wanna be in love
I don't wanna be in love He was always giving her attention
Looking hard to find the things she mentioned
He was dedicated but most suckers hate it
That girl was fine but she didn't appreciate him She calls him up
She's trippin' on the phone now
He had to get up
And he ain't comin' home now He's tryin' to forget her
That's how we come with him
When he first met her
When they first got together Everybody put up your hands
Say I don't wanna be in love
I don't wanna be in love Feel the beat now
If you got nothing left
Say I don't wanna be in love
I don't wanna be in love Back it up now
You got a reason to live
Say I don't wanna be in love
I don't wanna be in love Feelin' good now
Don't be afraid to get down
Say I don't wanna be in love

I don't wanna be in love To the beat, to the beat, to the beat
You got nothing to lose
Don't be afraid to get down We break up, it's something that we do now
Everyone has got to do it sometime
It's okay, let it go
Get out there and find someone It's too late to be trippin' on the phone here
Get off the wire, know everything is good here
Stop what you're doin', you don't wanna ruin
The chance that you got to find a new one Everybody put up your hands
Say I don't wanna be in love
I don't wanna be in love Feel the beat now
If you got nothing left
Say I don't wanna be in love
I don't wanna be in love Back it up now
You got a reason to live
Say I don't wanna be in love
I don't wanna be in love Feelin' good now
Don't be afraid to get down
Say I don't wanna be in love
I don't wanna be in love No, no
Now you know what to do
So come on, get up, girl
