

# Harder Than Diamond

## Chubby Checker

You can take what you want forever,  
And then throw it all away,  
But the heart that you left behind you  
Still haunts you 'til this day  
In the time that it takes to feel it,  
Your new, familiar dreams,  
But it's the one that keeps you up at night,  
Makes you wonder what it means  
Harder than diamond  
Cutting like a knife  
Bars on the windows  
Shadows on the mind  
As you walk through the hall of mirrors,  
Your feet above the ground,  
You see somebody, they start to laugh,  
But you never hear the sound

Now you know that you're only dreaming,  
But still you have to steel,  
You won't wake up tomorrow  
As you watch yourself disappear  
Harder than diamond  
Cutting like a knife  
Bars on the windows  
Shadows on the mind  
Shadows on the mind  
Harder than diamond  
Cutting like a knife  
Bars on the windows  
Shadows on the mind  
Harder than diamond  
Cutting like a knife  
Bars on the windows  
Harder than diamond (x3)
