

Natural High (Interlude)

Ms. Dynamite

Lifes full a pain
Lifes full a stress
Specialy when your comin from the
Streets
Inhale ma vibe
Like ya smoking sess
Let it flow from your head down 2 ya feet I gotta high 4 every body who want some
Worldwide ghettos if your fellin this one
I gotta natural high just 4 ya brain
I'll make you fly but I won't turn you insane What me say now
Fuck powder fuck pills see me
Sticly chemical free like sweet sensi
Fuck coke fuck ecstasy
I seen that shit take over to many
Fuck powder fuck pills see me
Sticly chemical free like sweet sensi
Fuck coke fuck ecstasy
Ma music gets me high as I need
