

# Fresh Static Snow (Last Island Remix)

[Porter Robinson](#)

You fit perfectly to me in the loneliness, melt this curse away  
Though I'll never know your name I'll cry for you the same  
You fit perfectly to me in the loneliness, melt this curse away  
Though I'll never know your name I'll cry for you the same  
You fit perfectly to me in the loneliness, melt this curse away You fit perfectly to me in the loneliness, melt this  
curse away  
Though I'll never know your name I'll cry for you the same You fit perfectly to me in the loneliness, melt this  
curse away  
Though I'll never know your name I'll cry for you the same Melt this curse away  
Cry for you the same
