Wake Me Up

Home Free

Feeling the way through the darkness
Guided by a beating heartI can't tell where the journey will end
But I know where to startTell me I'm too young to understand
Say I'm caught up in the dream
Life will pass me by if I don't open up my eyes
But that's fine by meSo wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself and I didn't know I was lostSo wake me up when it's all over
When I'm wiser and I'm older
All this time I was finding myself and I didn't know I was lostI tried carrying the weight of the world
But I only have two hands
Hope I get the chance to travel the world but I don't have any plansWish that I could stay forever this young
Not a break to close my eyes
Life is made for everyone
And love is a prizeSo wake me up when it's all over when I'm wiser and I'm older
All this time I was finding myself I didn't know I was lostSo wake me up when its all over
(Woah)
When I'm wiser and I'm older
(When I'm wiser and I'm older)All this time I was finding myself and I didn't know I was lostSo wake me up when its all over
When I'm wiser and I'm older
All this time I was finding myself
I didn't know I was lostDidn't know I was lost
