Dear Lie

TLC

Dear Lie, you suck
You said, you could fix anything
Instead, Im fucked
You made things even worse for me
If I had balls Id tell you get away from me
Guess, Im not smart
I let you unnerve me, I let you control me
Afraid the truth would hurt me
When its you that hurts me moreGet outta my mouth
Get outta my head
Get outta my mind
Stop putting words in my head
Get outta my mouth, youre nothing but trouble
Get outta my life, get out of me
Out of me, out of me
Out of me, out of me, Lie
Lie, Lie, Lie, Lie, LieDear Lie, youre dumb
You think, youve got the best of me
You think, you won
Misread my vulnerability
Ive got your walls
Now get the hell away from me
Ive learned your art
Wont let you unnerve me
Wont let you control me
The truth will only free me
And your lies wont hurt no, no moreGet outta my mouth
Get outta my head
Get outta my mind (out of my mind)
Stop putting words in my head
Get outta my mouth, you're nothing but trouble
Get outta my life, get out of me
Out of me, out of me
Out of me, out of me, Lie
Lie, Lie, Lie, Lie, Lie, LieI've got your balls
Now get the hell away from me
I learned your art
Wont let you unnerve me
Wont let you control me

The truth will only free me
And your lies wont hurt no, no moreGet outta my mouth (out of my mouth)
Get outta my head (out of my head)
Get outta my mind (get...out of my mind)
Stop putting words in my head
Get outta my mouth, you're nothing but trouble
Get outta my life, get out of me
Out of me, out of me
Out of me, out of me, Lie
Lie, Lie, Lie, Lie, Lie, LieDear Lie
Lie, Lie, Lie, Lie, Lie Lie
Dear Lie
