

# Fire in the Hole

## Steely Dan

I decline to walk the line  
They tell me that I'm lazy  
Worldly wise, I realize  
That everybody's crazy  
A woman's voice reminds me  
To serve and not to speak  
Am I myself or just another freak  
You know, there's fire in the hole  
And nothin' left to burn  
I'd love to run out now  
There's nowhere left to turn, no no  
With a cough, I shake it off  
And work around my yellow stripe  
Should I hide or eat my pride  
Or wait until' it's good and ripe  
My life is boiling over  
It's happened once before  
I wish someone would open up the door  
Don't you know, there's fire in the hole  
And nothin' left to burn  
I'd love to run out now  
There's nowhere left to turn
