

Slow Cheetah

Red Hot Chili Peppers

Waking up dead, inside of my head
Would never, never do, there is no med
No medicine to takeIve had a chance to be insane
Asylum from the falling rain
Ive had a chance to breakIts so bad, its got to be good
Mysterious girl misunderstood
Dressed like a wedding cakeAny other day and I might play
A funeral march for Bonnie Brae
Why try and run away?Slow cheetah come before my forest
Looks like it's on today
Slow cheetah come, it's so euphoric
No matter what they sayI know a girl, she worked in a store
She knew not what her life was for
She barely knew her nameThey tried to tell her, she would never be
As happy as a girl in a magazine
She bought it with her paySlow cheetah come before my forest
Looks like it's on today
Slow cheetah come, it's so euphoric
No matter what they sayEveryone has so much to say
They talk, talk, talk their lives away
Dont even hesitateWalking on down to the burial ground
Its a very old dance with a merry old sound
Looks like it's on todaySlow cheetah come before my forest
Looks like it's on today
Slow cheetah come, its' so euphoric
No matter what they saySlow cheetah come before my forest
Looks like it's on today
Slow cheetah come, it's so euphoric
No matter what they say
