

# Riders to the Stars

Barry Manilow

Christy wants a millionaire, a miracle in the rain  
Everybody's lookin' to find their heaven, and never come back again  
Well, people keep searchin' up and down, joinin' in the latest things  
And even I run around lookin' for love, waitin' for bells to ring  
Riders to the stars, we are flyin', we are fallin'  
And I can see the clouds rollin' by  
Riders to the stars, we are sailin', we are soarin'  
And all we can do is try  
We are riders to the stars  
We are riders to the stars  
Riders, oh riders, riders  
Billy wants a fancy car, says it's just what he needs  
Folks into showin', just what they're blowin', they're followin' foolish leads  
And Christy wants to find her millionaire, her miracle in the rain  
And I lift my head right up to the sun, never lookin' down again  
Riders to the stars, we are flyin', we are fallin'  
And I can see the clouds rollin' by  
Riders to the stars, we are sailin', we are soarin'  
And all we can do is try  
We are riders to the stars  
We are riders to the stars  
Riders, oh riders  
You see, some folks have money and others survive  
God knows it's not easy just bein' alive  
The dreamer dreams on, and dreams never die  
Long as we try, long as we try  
Riders to the stars, we are flyin', we are fallin'  
And I can see the clouds rollin' by  
Riders to the stars, we are sailin', we are soarin'  
And all we can do is try  
We are riders to the stars  
We are riders to the stars  
Riders  
You see, you see, you got to believe, got to believe  
[Incomprehensible] got to reach out, reach out  
You got to, got to believe, got to believe  
We'll keep tryin' [Incomprehensible]  
Riders  
We're just riders
