

# Reload (Pump It Up Edit) [feat. John Martin]

## Sebastian Ingrosso & Tommy Trash

When night has become the day  
They're sending you far away  
So, so far awayWhen everything starts to fade  
You don't have to be afraid  
No, you don't have to be afraidTake my hand and  
Reload  
This is free love  
That's what we are made of  
Yes, we are, are, areReload  
This is real love  
That's what we are made of  
Yes, we are, are, areTake my hand and  
Reload  
This is free love  
That's what we are made of  
Yes, we are, are, areWhen you wanna get off the ground  
But gravity pulls you down  
Gravity pulls you downAnd when you feel out of place  
You don't have to be afraid  
No, you don't have to be afraidTake my hand and  
Reload  
This is free love  
That's what we are made of  
Yes, we are, are, areReload  
This is real love  
That's what we are made of  
Yes, we are, are, areTake my hand and  
Reload  
This is free love  
That's what we are made of  
Yes, we are, are, areReload  
This is real love  
That's what we are made of  
Yes, we are, are, are
