Green World (Remastered)

Project Pitchfork

green world
a breeze let me fly higher and higher
soundless drifting over the greenI'm floating in
waterfalls
purity all living in
cool crystal water
peace freedom
wet heatgreen light
on the ground
live is filling everything
never silence
lovely sounds from abovetrees
live-giving gods
bowing to live
vibrations in the air
I'm the forest never fading
guarding everything
flying jewels
