

# Is There Any Love

## Kid Cudi

Heads up, nigga

Walle

Play it backOff jump, boo, cudl get ya funk

Hit ya in your head then it work it to your rump

Hate a nigga scared, het leave him off stump

They gotta like a nigga

Call me Obama

Not a hype beast while you beast for the hype

Yea I'm the underdog, story of my life

Matter fact I dreamed that I lived twice

Once as a slave who imagined bein' free

And made it out happy for his family and his seed

And now me, you can call me mister friendly

One life to live, but no actin' on my nigga Friendly

Can't stand evil bitches when theybefriend me

All they do is envy and plot up on my loins

I give you options, baby flip an coin

You get McDonalds, forget the sirloin

Hatin' my mackin', they askin'Is there any love

in this world?

Is there any love

in this world?

Is there any love

in this world?

Is there any love

in this world?
