KSLV Noh

Anyway, steppin' up with that hoe shit, bullet to yo head
And I gettin' away, rollin' clean, jumpin' high from gangstas
On the track with my fucken pimps, only tricks though
Smokin' out some bustas, tricks and chubs, the pocket get them up
Runnin' niggas joggin', they're there, jealous stupid fool
They're comin' up south, victim junkies stop em' (Yeah sheesh)
Anyway, steppin' up with that hoe shit, bullet to yo head
And I gettin' away, rollin' clean, jumpin' high from gangstas
Burnin' and bucken em' fuck em' till ya bail, bitches run ya mouth
I just put a hit on you, don't stay at yo momma's house

[Chorus]

On the track with my fucken pimps, only tricks though
Smokin' out some bustas, tricks and chubs, the pocket get them up
Runnin' niggas joggin', they're there, jealous stupid fool
They're comin' up south, victim junkies stop em' (Yeah sheesh)
Anyway, steppin' up with that hoe shit, bullet to yo head
And I gettin' away, rollin' clean, jumpin' high from gangstas
Burnin' and bucken em' fuck em' till ya bail, bitches run ya mouth
I just put a hit on you, don't stay at yo momma's house

[Bridge]

On the track with my fucken pimps, only tricks though
Smokin' out some bustas, tricks and chubs, the pocket get them up
Runnin' niggas joggin', they're there, jealous stupid fool
They're comin' up south, victim junkies stop em' (Yeah sheesh)
