Love Must Follow You Around

Randy Rogers Band

I don't wanna
Go to sleep tonight
'Cause in the mornin'
I'll be leavin'We can sit and talk
With the candle light
And even though I know it's comin'
It will hit me without warnin'Love must follow you around
'Cause every time we're close
It comes creepin' in
Deeper than I have ever knownAnd I don't know if you know it
But it's catchin' up with me
It's gonna track me down
Baby, love must follow you aroundI've been runnin'
With my heart wide open
And I know I'm not always
What you needWe'll pick up the pieces
That I've broken
But when I get home
From this highway then you'll seeLove must follow you around
'Cause every time we're close
It comes creepin' in
Deeper than I have ever knowAnd I don't know if you know it
But it's catchin' up with me
It's gonna track me down
Baby, love must follow you aroundLove must follow you around
'Cause every time we're close
It comes creepin' in
Deeper than I have ever knowAnd I don't know if you know it
But it's catchin' up with me
It's gonna track me down
Baby, love must follow you aroundIt's gonna track me down
Baby, love must follow you around
