Traveling Boy

Art Garfunkel

Wake up my love beneath the midday sun
Alone once more alone
This traveling boy was only passing through
But he will always think of youOne night of love beside a strange young smile
As warm as I have known
A traveling boy and only passing through
But one who'll always think of youTake my place out on the road again
I must do what I must do
Yes I know we were lovers
But a drifter discoversA traveling boy and only passing through
But one who'll always think of youTake my place out on the road again, I must do what I must do
Yes I know we were lovers but a drifter discovers
That a perfect love won't always last foreverI won't say that I'll be back again 'cause time alone will tell
So no goodbyes for one just passing through
But one who'll always think of you, no goodbyes
