

Soul Provider

Romain Virgo

Ta na na
Oh girl, baby
Oh baby

Talk about love, talk about trust
Talkin' 'bout forever baby
talk 'bout us

I give you my word, stick to my guns
Believe me when I say it baby
Its just begun

You don't understand, oh girl
The full intent of my plan

Baby I want to be your soul provider
Baby I want to stay that way
For the longest time
Baby I wanna to be, your soul provider
Just say you'll let me
Yes I will

I know you've been hurt, I know you're love shy
You don't have to say it baby
It's gonna take some time
you got my heart, in the palm of your hands
I Swear it's gonna stay there baby
Give me half a chance

You don't understand, No
The full intent of my plan

Baby I want to be your soul provider
Baby I want to stay that way
For the longest time
Baby I wanna to be, your soul provider
Oh Baby

I've been waitin' for a long time for somebody like you
To give my love, all my love day and night

Just say you'll be mine for the rest of your life
And I'll show you why

Baby I want to be your soul provider
Baby I want to stay that way
For the longest time
Bay I wanna to be, your soul provider
Oh Baby
