The Woman In Me

The Waterboys

If I said to you
that I have been to a forbidden place
what would you do
would you accuse me, refuse me or
would you suit me like you do

The man in you
gets to the woman in me

There is a man in you too
and the man in you gets to the woman in me

And that's the way it should be
The woman in me

Love me two times
One for the man
and one for the woman in me

Love me two times
one for the man
and one for the woman in me

Love me two times
and for the man
and one for the woman in me

Love me two times
and for the man
and one for the woman in me

And that's the way it should be
