

Hard-Away

Red Lorry Yellow Lorry

Don't ever let me see you hard-away
Don't ever let me see you smile
Don't ever steal yourself apart again
Just let me touch you for a while
You're hard-away
You're holding up inside
You're hard away, you're hard away
The tears you left behind
Don't ever let me be the one to ache
Don't ever let me be by your side
Don't ever let me be the one i take
Don't ever let me be your eyes
