

The Dumbing Down Of Love

Frou Frou

Well painted passion
You rightly suspect
Impersonation
The dumbing down of love Jaded in anger
Love underwhelms you
No box of chocolates
Whichever way you fall And if I tell you
Lover alone without love
What will happen
Lover alone without love
And will you listen?
Lover alone without, without love No, no I'll get this
I want to treat you
You're still not famous
And you haven't struck it rich Underachieving
'Cause no one's receiving
This tunnel vision
It's turning out all wrong And if I tell you
Lover alone without love
What will happen
Lover alone without love
And will you listen?
Lover alone without, without love Music is worthless unless it can
Make a complete stranger
Break down and cry And if I tell you
Lover alone without love
What will happen
Lover alone without love
And will you listen?
Lover alone without, without love
