

Sweet Spot (Sem Thomasson Remix)

Flo Rida

Let's hit the sweet spot
Oh I, I, I, I, I'm ready to go, I want candy tonight
Let's hit the sweet spot
Oh I, I, I, I, I'm ready to go, I want candy tonight Yeah, I wanna take you back to my spot
You can be the candy girl in my shop
We both know what we craving, why not?
Make tonight first class with no stops
Girl you know, I run a love game, never play UNO
You wanna leave, follow me to the two door
Rock your culo, love it when you call me your papi chulo
I got a thing for you, you got a thing for me
Hershey kiss the milky way and bring to life your fantasies
As we hit them up so make cool a
Touch them to make the seas split two ways
You're in love with that too girl, don't play
I'm just waiting to hear you say Let's hit the sweet spot
Oh I, I, I, I, I'm ready to go, I want candy tonight
I gotta taste and I'm hooked on you for life
My, oh my, hit the sweet spot tonight Yeah, I wanna hit the spot and make you hot
And make you feel like everybody need to have it this week
Baby just a hit, just speak, I got your candy Shawty
Come around give it to you that deep

All the night, to a rave to freak that I take you home
