

That Kind of Girl

The Mamas & The Papas

That kind of girl would let you down
That kind of girl will always run around
That kind of girl's the kind that you always fall for
My friend, your love is really a dull boreImagine your surprise when you look in her eyes
And, baby, she's not there, she's freaking out somewhere
And you think it's unfair, well, don't be so squareThat kind of girl won't try to please
That kind of girl would never get on her knees
That kind of girl's the kind that thinks just of herself
Your on your first and she's on her twelfthImagine what you'll find when you open her mind
And there's nothing inside that should have made you cry
She didn't have to lie and I'll tell you whyShe's one of those girls, yeah
Just one of those girls, yeahImagine what you'll find when you open her mind
And there's nothing inside that should have made you cry
She didn't have to lie and I'll tell you whyThat kind of girl is just too strange
That kind of girl ain't ever gonna change
That kind of girl's the kind that makes you dizzy
You'll always ask and wonder who is heShe's one of those girls
She's one of those girls
She's one of those girls
She's one of those girlsShe's one of those girls
She's one of those girls
She's one of those girls
She's one of those girls
