Oh, baby, oh  
No, oh my, baby oh  
(my, my, my, my, my)  
Oh my, baby, oh  
I'm reachin' for your soul  
Oh my, I'm reachin' for your soul, oh my  
Jennifer, would you prefer?  
I know you playing games  
I know that's how it works  
The first girl that I loved  
First girl that I hurt  
I'm calling out to Jennifer  
Been calling out for her  
I'm calling for you Jennifer  
Oh my The pain in your eyes  
When I slipped up and fucked Caroline  
I know you playing games  
Girl you on my mind  
The girl I wanna finish  
with till the end of time  
And now am like  
Oh my, Baby, oh  
No, alright, baby, oh  
No, alright, oh my, baby  
oh (my, my, my, my, my)  
I'm reaching for your soul, oh my  
I'm reaching for your soul  
oh my (you still love me? yeah)  
I whip, she stunt  
we milly rock when we walk  
She never leavin' me out  
I'm never lettin' her down  
I never leave my baby  
'cause she my leader  
I'm gonna see her in heaven  
I'm gonna fear her  
Jennifer, would you prefer?  
I know you playing games  
I know that's how it works  
The first girl that I loved  
First girl that  
I hurt I'm calling out to Jennifer  
Been calling out for her  
I'm calling for you Jennifer

Oh my  
The pain in your eyes  
When I slipped up and fucked Caroline I know you playing games  
Girl you on my mind  
The girl I wanna finish  
with till the end of time  
And now am like Jennifer, Jennifer, aye  
Jennifer, Jennifer let me know  
Let me work, 'fore I'm in the dirt  
One call from the boy, never gon' berzerk What you want from my 'Ma?  
So I'm watching you twerk  
So your boy on a wave  
Know they all gonna surf  
You're the love of my life  
Til' we leavin' the Earth See, the pain your brought  
'Cause I did do you work  
My love never die  
multiply, to two thirds She ridin' with me, and I'm being honest  
If you fuckin' with us

I know you playing games  
I know that's how it works The first girl that I loved  
First girl that I hurt  
I'm calling out to Jennifer  
Been calling out for her I'm calling for you Jennifer  
Oh my  
The pain in your eyes  
When I slipped up and fucked Caroline I know you playing games  
Girl you on my mind  
The girl I wanna finish  
with till the end of time  
And now am like
