Rhinestone Cowboy

Glen Campbell

I've been walkin' these streets so long
Singin' the same old song
I know every crack in these dirty sidewalks of Broadway
Where hustle's the name of the game
And nice guys get washed away like the snow and the rain
There's been a load of compromisin'
On the road to my horizon

But I'm gonna be where the lights are shinin' on meLike a rhinestone cowboy Riding out on a horse in a star-spangled rodeo

Like a rhinestone cowboy

Getting cards and letters from people I don't even know

And offers comin' over the phoneWell, I really don't mind the rain

And a smile can hide all the pain

ut you're down when you're ridin' the train that's takin' the long way

But you're down when you're ridin' the train that's takin' the long way

And I dream of the things I'll do

With a subway token and a dollar tucked inside my shoe
There'll be a load of compromisin'
On the road to my horizon

But I'm gonna be where the lights are shinin' on meLike a rhinestone cowboy Riding out on a horse in a star-spangled rodeo

Rhinestone cowboy

Gettin' cards and letters from people I don't even know
And offers comin' over the phoneLike a rhinestone cowboy
Riding out on a horse in a star-spangled rodeoLike a rhinestone cowboy
Gettin' card and letters from people I don't even knowLike a rhinestone cowboy
Riding out on a horse in a star-spangled rodeo
