

Forward Motion (Original Mix) [feat. Ali Love]

Hot Natured

Forward

Forward

Forward

Forward

Forward

ForwardIf consciousness is universal

Then why I am wide awake,

Wondering what to say

When in a parallel dimension

Lost in the spiritual

Changing into physical

If consciousness is universal

Then why I am wide awake,

Wondering what to say

When in a parallel dimension

Lost in the spiritual

Changing into physical(Forward)

Cant, go back,

No I can't, go back

(Forward)

No I can't, go back

No I can't, go back

(Forward)

No I can't, go back

(Forward)

She got me rocking in a forward motion

She got me moving in a different state of mind

(Forward)

She got me rocking in a forward motion

She got me working in a different state of mind

(Forward)

No I can't, go back

No I can't, go back

(Forward)

No I can't, go back

No I can't, go back(Forward)

If consciousness is universal

Then why I am wide awake,

Wondering what to say

(Forward)

We are in a parallel dimension

Lost in the spiritual

Changing into physical(Forward)

Can't, go back

No I can't, go back

(Forward)

No I can't, go back

No I can't, go(Forward)

She got me rocking in a forward motion

She got me moving in a different state of mind

(Forward)

She got me rocking in a forward motion

She got me working in a different state of mind(Forward)

(I can't go back in time)

She got me rocking in a forward motion

(I can't go back in time)

She got me moving in a different state of mind

(Forward)

(I can't go back in time)

She got me rocking in a forward motion

(I can't go back in time)

She got me rocking in a different state of mind

(Forward)

(I can't go back in time)

She got me rocking in a forward motion

(I can't go back in time)

She got me moving in a different state of mind

(Forward)

I can't go back in time

I can't go back in time

(Forward)

I can't go back in time

I can't go back in time

I can't go back in time

I can't go back in time

I

I cant
I cant
You know I cant
I cant
I cant
I cant
You know I cant
I cant
Baby
I cant
I cant
I cant
I cant
I cant
I cant
I cant(Inter)
