Freddie Gibbs

Gangsta Gibbs ho

It's the world

Yea yea yea yea uh

What? What? What? Let's go! Now bitch scream if your pussy clean

Gonna let some real G's get up in them jeans

Beat it for a couple rounds, get you in the free

Make a movie on the phone, send it to the screen

I bet she'd go, I bet she'd go, I bet she'd go for it

She 'bout to turn it up and drop it to the floor

I heard she leasin' out the pussy, paid a note for it

She only fuck with ballers, rappers and the dope kids

And I'm that type of nigga, hit you with the dope yea

So bring your friend, I brought my partner, that's the dope shit

If you are pimpin', nothin' worse than in the boat bitch

Be that pussy standin' in the cold, that's the flow shit I bet she'd go, I bet she'd go, I bet she'd go for it

I bet she'd go, I bet she'd go, I bet she'd go for it
