

We Wanna Thank You (The Things You Do)

Big Brovaz

[Intro]

Here's a little song that we wrote for you
Just for everything you are and everything that you do

We wanna thank you (wanna thank you)

We wanna thank you[Verse 1]

Ain't nobody got my back like you
Or rap like you, or show a dog love like you
Some how you can turn my grey sky blue
When I'm havin a bad day you get me through
I appreciate you, and all the things you do

Plus I love and respect you too

And that's why just before

Every time when I'm cuttin a song
I let 'em know you is gonna be on
I'm just trying to say thank you I sit here thinkin about you

If you weren't here what would I do

You know I need you around me

Without your love were would I be

I feel

Even though I'm far away your next to me

So real

All the lovin your givin me makes me just wanna say[Chorus]

Thank you for the things you do

You picked me up when I was down

Thank you for the joy you bring

You turned my life around

(and I wanna say)

Thank you

For being there for me through everything

Thank you

For letting me be myself once again[Verse 2]

You always come at the right times

Stick to the right words

Make me feel fine even when I'm hurt

Even with some hate

You show that you love me

I'm on your mind all the time, thinkin of me

That's how I know that you truly care

Anything I go through, I know you'll be there

As long as you love me I ain't goin nowhere
'cause your all I need I swear
I really wannaHow do I say thank you for the
Things that you've done for me I
I can't explain the joy it brings to my world
You're my world and my everything
Since the beginnin, you've been there for me
So I sing this song to you for all that you do
I just wanna say thank you[Chorus]
Thank you for the things you do
You picked me up when I was down
Thank you for the joy you bring
You turned my life around
(and I wanna say)
Thank you
For being there for me through everything
Thank you
For letting me be myself once againHere's a little song that we wrote for you
Just for everything you are and everything that you do
We wanna thank you (wanna thank you)
We wanna thank you (for everything you do)
Just for bein there for us when we were down and out
And, for the little words that you said out your mouth
We wanna thank you (wanna thank you)
We wanna thank you (for everything you do)When I'm feelin down
You are always there to pick the pieces up
And place me on my feet again
When your time comes around
Just don't let our feelin
You need it
You can count on me for anything[Chorus]
Thank you for the things you do
You picked me up when I was down
Thank you for the joy you bring
