You Save Me

Kutless

Time and time again I've gone running
Chasing after empty plans
That steal my heart away and leave me broken
My only hope is in Your hands
You save me, You set me free
Forever, Savior, You will rescue me
Forgiven, now I will sing
Forever, Savior, You will rescue me
I'll never be the same
Your love is changing everything
You pulled me from the grave
Wrapped me in Your arms
Jesus, You have won my heart
You save me, You set me free
Forever, Savior, You will rescue me
Forgiven, now I will sing
Forever, Savior, You will rescue me
Jesus, Messiah
You rescued me, You rescued me
Mighty Redeemer
You save me, You save me
You save me, You set me free
Forever, Savior, You will rescue me
Forgiven, now I will sing
Forever, Savior, You will rescue me
