

I Need a Girl (To Bella)

Lo & Jack/Loon/Mario Winans/Puff Daddy

Yeah, c'mon
I need a, I want a
I need a girl to ride, ride, ride
I need a girl to make ma wife
I need a girl who's mine, oh mine
I need a girl in ma life
Yo, I'm internationally known on the microphone
I got it all, but I really need a wife at home
I don't really like the zone, never spend the night alone
I got a few, you would like to bone
But, chicks don't romance me, don't tickle my fancy
Only Tiffany, Nancy, that's not what my plans be
I need a girl that could stand me, raise me a family
Go to trips at the Lancy, trip to the Grammy's
'Cause most of these girls be confusin' me
I don't know if they really love me or they usin' me
Maybe it's the money, or maybe you ain't used to me
'Cause you was depressed and now you abusin' me
That's why I need me a girl to be true to me
Know 'bout the game, and know how to do to me
Without a girl on my side, shit I ruin me
Forget the world girl, it's just you and me
Now let's ride
I need a girl to ride, ride, ride
I need a girl to make ma wife
I need a girl who's mine, oh mine
I need a girl in ma life
I need a girl to ride, ride, ride
I need a girl to be ma wife
Nobody else, she's all mine
I need a girl in ma life
Yo, now I have had a lot of women in my lifetime
But see it's not a lot of women that got the right mind
I done had pretty chicks with all the right features
And hood rat chicks that only rock sneakers
Cellphones and beepers, and know how to treat ya
You break her heart, she'll walk out and leave ya
I find a girl, I'ma keep her
'Cause now I'm gettin' money and the game gettin' deeper

I want some real shit
I need somebody I can chill with
I need somebody I can build with
I need somebody I can hold tight
With the time and no full limits, no right
Anytime we together feel so right
You the girl I been lookin' for my whole life
God bless me, I'm glad I got the insight
Because of of you girl, now I understand life
I need a girl
I need a girl to ride, ride, ride
I need a girl to make ma wife
I need a girl who's mine, oh mine
I need a girl in ma life
I need a girl to ride, ride, ride
I need a girl to be ma wife
Nobody else 'cause she's all mine
I need a girl in ma life
I had a girl that would've died for me
Didn't 'preciate her so I made her cry for me
Every night she had tears in her eyes for me
Caught a case, shorty took the whole ride for me
At first, we were friends then became lovers
You was more than my girl, we was like brothers
All night we would play fight under covers
Now you gone, can't love you like I really wanna
But every time I think about your pretty smile
And how we used to drive the whole city wild
Damn I wish you would've had my child
A pretty little girl wit Diddy's smile
That shit is why all dem days that I reminisce
About the way I use to kiss dem pretty lips
But as long as you have me on ya telly list
I love you girl and you're the one that I will always miss
I love you, yeah
I need a girl to ride, ride, ride
I need a girl to make ma wife
I need a girl who's mine, oh mine
I need a girl in ma life
I need a girl to ride, ride, ride
I need a girl to be ma wife
Nobody else 'cause she's all mine
I need a girl in ma life
I need a girl to ride, ride, ride
I need a girl to make ma wife

I need a girl who's mine, oh mine
I need a girl in ma life
I need a girl to ride, ride, ride
I need a girl to be ma wife
Nobody else 'cause she's all mine
I need a girl in ma life
I need a girl to ride, ride, ride
I need a girl to make ma wife
I need a girl who's mine, oh mine
I need a girl in ma life
I need a girl to ride, ride, ride
I need a girl to be ma wife
Nobody else 'cause she's all mine
I need a girl in ma life
