# Tina

## Lucho BermÃºdez

You walk into this place
The light shines on you're face, and I wish you were mine
There used to be a time
You aim a smile at me
I can't even speak
I'm too scared to try, just a waste of time
Just a waste of time
Tina, you just act like you don't know the way I feel
You call me back each night to reinsure my dream is real
How long do you plan to keep on stringing me along?
I'm realizing I was wrong and you're just a waste of time
Just a waste of time
Just a waste of time
Look at what you've done to me
Tina!
All my friends are warning me, but I'm just way to blind to see
I've just got to disagree

I don't claim to know the way, but I'll snap out of it some day
I don't claim to know the way
I don't have the time to sit and wait, to sit and wait
I don't have the time
I'm losing my sanity
Look at what you've done to me
Tina!
All my friends are warning me, but I'm just way to blind to see
I've just got to disagree
I don't claim to know the way, but I'll snap out of it some day
I don't claim to know the way
All my friends are warning me, but I'm just way to blind to see
I've just got to disagree
I don't claim to know the way, but I'll snap out of it some day
I don't claim to know the way
