## Faith No More

They all know me by my car  
They all know I'm gone, but not how far  
I'm heading straight down 101  
I'm going to go and get me some  
My lips are movin' but there's no sound  
Someday somebody's gonna get run down  
Eu não posso dirigir  
E agora aparece  
Meu dedo enterrado  
No meu nariz  
My lips are movin' but there's no sound  
Someday somebody's gonna get run down
