'Cause I'm all you need in your world

Bitch I can make you famous u dont know what your missin

I can change your mind if you listen

If the bitch dont like me the bitch must dont like men (like men)

I say what I want 'cause I can

If I didnt id be a liar

The crowd say you might catch the king with a singer

For touching my doorbells the only way ill put a ring on your finger

Give me a convo with two cups an
