I Apologize

Neal McCoy

If you could feel inside my heart
And see things through these eyes
It would take just one look to see that I'm sorry
It was all my fault last night

And maybe sweet baby
You could see how much I wish that I
Could change all the wrong things into right
I apologize

I have been so blind and full of pride
I forgot to see
What a good thing I was throwing away
The love you had for me

And baby, sweet baby
Love has opened up my eyes
So if it's not too late to wake up
I apologize

Baby, come back, what more can I tell you
I'm so sorry, what more can I say
Baby, come back if you don't believe I love you
I will give you all the proof you need tonight

And baby, sweet baby
I have opened up my eyes
So if it's not too late to wake up
I apologize

Baby, come back, what more can I tell you
I'm so sorry, what more can I say
Baby, come back if you don't believe I love you
I will give you all the proof you need tonight

Baby, come back, what more can I tell you
I'm so sorry, what more can I say
Baby, come back if you don't believe I love you
I will give you all the proof you need tonight
