

# Mandy

## Eddie Cantor

I was strolling out one evening by the silvery moon  
I could hear somebody singing a familiar tune  
So I stopped a while to listen  
Not a word I wanted to miss  
It was just somebody serenading something like this

[Chorus]

Mandy

There's a minister handy  
And it sure would be dandy  
If we'd let him make a fee  
So don't you linger  
Here's the ring for your finger  
Isn't it a humdinger?  
Come along and let the wedding chimes  
Bring happy times  
For Mandy and me

There will be some jubilation for the happy pair  
Yes, the best in all creation, joy is in the air  
There'll be music at the station  
For to speed them on their way  
There will be some celebration on their wedding day

[Chorus]

Oh, what a wonderful day  
Cupid, the parson, he'll say

I'm feeling kind of nervous to hear the wedding service  
Now we'll hear the wedding bells, soon we'll hear the baby yells

Wait just a minute, my dear  
I have the ring, never fear

What a fine ovation from all of our relations  
Sister and brother, father and mother  
And Mandy and me
