He draws his horses
Pretend your anger
And draws his horses
Being chosen alsoPlease get up
Fall, please get up
Fall, please get up
Don't ruin yourselfSo see and hear
Sultitan itan
So see and hear
Plain tiger igerIn my heart
Set you right up
In my heart
I sing this songBack you up
How messed I am
Back you up
I considerSo he got up
I must see him
I must see him
And all got upSore got he
Apalled got up
Apalled got up
I'm in this songSo see and hear
Sultitan itan
So see and hear
Plain tiger iger[Background:]
And my defeat and hope [x3]
And sad and hope [x3]
Might not feel down
